## How to use this book!

Flying Grammar Primary is an interesting, fun, and easy grammar book series designed for young English learners. This book series tries to show the learners essential grammar points, and provide various encouraging activities. With this grammar book series, the learners will definitely have the chance to improve and develop their English grammar skills and ability.

Each unit is composed of 4 pages.

The first page of each unit introduces the target grammar point with a dialog and detailed notes. The second page of each unit provides a variety of exercises for learners to use and practice the grammar point they are learning.

The third page of each unit also provides an opportunity to understand all aspects of the grammar point. The fourth page of each unit allows learners to integrate the target grammar point with a new method "Grammar Chant."

#### REVIEW

This section contains a variety of follow-up activities that reinforces and builds upon grammar through a dynamic and fun board game. Also, the review section helps students build their confidence along with their grammar skills. Students work in groups or by themselves.

Each chapter provides a 2-page review for students to practice the grammar points.

#### UPGRADE TEST

This part is designed to check the students overall comprehension about the grammar point from each unit.

A 4-page upgrade test appears after every three chapters to offer review and synthesis of the target grammar points for the preceding chapters. Each book has two upgrade tests.
