# The Biggest Little Show on Earth

▶ TR 03 Words 156

Do you love the circus? But are you afraid of the animals? Or maybe the circus has never visited your city. Don't worry. You can still enjoy the circus. Just take a trip to Sarasota, Florida. You can see the biggest little show on Earth, the Howard Brothers Circus, there.

5

The circus is **on display** at the Ringling Museum. It has **tiny** tents, **performers**, and animals. Why are they tiny? They're **miniatures**!

The Howard Brothers Circus **is named for** Howard Tibbals. He has loved the circus since he was three years old. ( a ) In 1956, he started making a model of a circus. ( b ) It **was based on** his collection of old circus **photographs**. ( c ) He worked for more than 50 years to make nearly 1,000,000 circus pieces by hand. ( d ) Today, his circus includes eight tents, 1,300 performers, more than 800 animals, and much, much more! Climb up the **observation** tower to see the circus from above. It's amazing!
